PRICE REDUCED FOR QUICK SALE~Here's your chance to own a small piece of "The Last Best Place" in one of Montana's premiere RV resorts. Paradise Pines is situated on the east side of Flathead Lake on upper Finely Point. These 2 combined lots are set up even for the biggest motorhome or 5th wheel with room to spare. Included also are 2 new storage sheds, one which is set up like a Casita, the other more of a work shop. The slab is colored 8" concrete surrounded by a colored stamped walkway and a very large half circle patio also colored and stamped concrete. This can take even the biggest Prevost type motor coaches. Along with this we will include everything to go with this setup so it makes it a turn key summer or year around place. These amenities are too numerous to list here, please call us for more details. All the landscaping is finished including underground lawn sprinklers and a drip system on the shrubs and flower pots. Paradise Pines is one of the few resorts with a private club and membership shares are included with the lot. There is nothing to compare this setup in this part of the country. Family commitments (92 year old mother!) make it that we are forced to leave our dream spot and give someone else a chance to have their dream spot. Don't let it get away! VERY AFFORDABLE~We have lowered the price to \$79,900.00. Come and see this beautiful spot but call first, we may be out tootin around! Call Dave or Chris at

r

or come by at mile marker 7 just east of Polson on highway 35. Please call first as we may be out and about. All inclusive at an affordable.
