Hi I'm a mother of 2 boys ages 3 and 5 and I have babysit for people my whole life I'm great with all ages of kids have plenty of stuff to do here at my house I will work individually with the kids on learning ,coloring, writing,drawling,talking, what ever they will need help with I have plenty toys as well .... I feel like your kids can get the same amount of care and love without spending so much on child care I assure you your kid/kids will be just fine here they will have plenty of fun and be taken care of $15 or if they are younger then a year $20 a day is all I will charge you I look forward to hearing from you contact me at
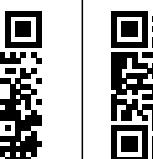

you can text or call me
