I am available to take care of your cats, in the comfort of their own home. Food and water refresh, litter box cleanup, and, lots of love.

If you are traveling and your dog (s) are wonderful with other dogs, I can take care of them in my home. I have a large, fenced-in yard that has plenty of room to run, have fun and also be safe and secure.

Please contact me to discuss your requirements and answer any questions you have.

Your pets will be very comfortable in our home, and of course, loved! Thank you and have a great!
