

CASH FOR CARS (2573 USD)

Location **New Hampshire**

Paying the best cash prices for vehicles in any condition. I pay cash and pick up fast and in my own opinion I am easy to deal with. I will pay more for(and would rather have) newer stuff and running stuff or vehicles in need of repair. Lower miles are good, valid stickers are good. I may travel NH other than the extreme border lands for good stuff and good deals!

Always fast and always cash!
