

Auto repair (Farmington)

Location **New Hampshire**
<https://www.genclassifieds.com/x-571961-z>

I have many years experience. I can tackle just about any job. Brakes, tune ups, suspension, steering etc. I am honest and won't screw you over like over priced garages. I charge \$25.00 an hour. Free quotes. If its something I can't do I will let you.
