We are seeking a childcare for our (soon to be) 7 year old son starting in August. He attends York Elementary and will need before and after school care (Drop off around 7:30am, pick up around 5:30pm) as well as transportation to and from school each day, or if you are in the proximity of pick up/drop off via school bus, he can ride the bus to and from!

He is a well mannered child and converses very well with all other children of age/gender.
