3 kittens need forever homes. The top and bottom pictures are of the same kitten. I have 2 girls and 1 boy. (White-girl, Darker markings-boy, Lighter markings-girl) These babies have been raised indoors, they eat solid food, are potty trained, playful and supper cute. I am asking a small rehoming fee of 10 dollars to ensure they go to loving homes. If you would like to make one of these babies part of your family please txt me at

Thank you for.
