Hi,

My in home childcare has immediate openings. Your child will be in a 1:5 ratio, be on a set schedule everyday which will consist of, (arrival, breakfast, music class, preschool time, arts and crafts, story time, outdoor play(fenced in backyard), play time, lunch time, nap time, and much more.), Breakfast, lunch and snacks will be served as well as drinks, with permission we will go on educational field trips and fun field trips.

Your child will be in the BEST care. I come HIGHLY recommended from parents, I have been in the childcare industry over 10 years, I have teaching credentials from the state of NC, I am CPR/First Aid/Sids certified, I am currently attending wake tech (Online) to further my education in Early Childhood EDU, and I have a qualifying recent background check from North Carolina Department of Division & Early Education. This is not a job to me, this is my career that I love because I love children and aspire to one day take my childcare to a building have a big center
 :-)
