I have a kitten that is 4 weeks and 4 days old. It's a boy. He is very lovable and shy. The kitten has just started moving around on his own and exploring recently. He is still nursing from the mother a little, using the litter box some, but haven't started him on hard or soft foods yet. He is free to anyone that is willing to take him, as long as treated well. I want him to find a good loving home. For those interested feel free to contact me. F.Y.I. he would have to be picked up from my hometown in Henderson, due to m hectic.
