Looking for some extra help around the house?
Hi, my name is Josy, I have been a professional house keeper since 2011. I just moved from the West coast (to be closer to my family), where I was working on a horse ranch for 4 years. I enjoy perfecting a beautiful space and would love to help keep your home spic and span.

- Detailed deep cleaning for your whole home; kitchen, bathroom, office, living areas.
- Mop/Sweep, vacuum, scrub, sanitise, disinfect, wash walls, baseboards, blinds, windows, bathrooms, dusting, much more!
- Quality service, affordable rates, references available.
- Weekly, bi-weekly, monthly, or one time.
- Experienced, reliable, detail oriented, and happy to help!
