

# Dont bring animals to the Humane Society

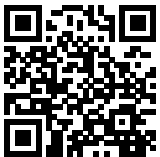

Location

Idaho

<https://www.genclassifieds.com/x-572048-z>

Never bring any lost or stray animals to the humane society here. They will kill them the same day and they have no obligation to tell you. They do not understand what the word humane means. Dont think that if you bring an animal there they will have them adopted or care for them. It is a kill shelter and they enjoy killing animals.
