I have a beautiful red micro fiber sofa for sale. It's only a few years old and is in great condition. It's also very comfortable and soft. It was purchased for more than double what I'm asking for it and is from a non smoking household. I had it in storage for the last year or so while I was away on business so it could use a little bit of a cleaning, but otherwise no rips, stains and is in great condition.

I'm located in the North Loop area of downtown Minneapolis. I will only take cash in hand and will not deliver. I'm asking for \$495 obo and have a new couch coming in the next couple days so would like to sell this fast.

Dimensions are approximately 89 long x 38 wide.

I also have a pair of counter height bar stools and coffee table for sale as well.

sofa, couch,
