I can install a new backsplash or tile for any room in your house. Anything from a simple subway style, fairly inexpensive installation, to an all out elaborate job. I am a military veteran with a great work ethic and attention to detail. I have 10 years of experience in the tile trade, install tile as a full time job, and can tackle any job. I can do the work at night or on weekends to fit your busy schedule. Please look through the pictures I've attached and feel free to ask any questions. I can be reached by calling, texting or emails. Kevin
