THINKING about trading for a truck, will entertain all offers but I am especially interested in but not subject to 4x4 Dodge Ram preferably Hemi. Jeep is super clean 0 rust, just rolled over to 110,000 miles, 6 speed manual with cruise control, freezing A/C, tow package, and traction control. Has 2 inch long arm lift with 295/75/16 and nice wheels, tinted windows, matte black rugged ridge window visors, 2015 rear bumper. New plugs, air filter as well as lift etc within past 6 months. Amazing in the snow, runs and drives like brand new NEEDS ABSOLUTELY NOTHING. Drive it everyday. call or text anytime.
