GOAL:
Professional drummer seeking established top 40/dance/funk/80s cover/tribute band here in Las Vegas area. Looking to join a group that is playing steady or connected and close to being ready. Or fill-in positions.

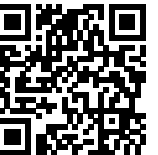

ABOUT ME:
I've been playing for over 30 years with two major label signings, 5 US tours and 1000's of shows under my belt. My most recent experience was with top 40 show band, Viva La Pop (see video: https://youtu.be/MxJ1_FSEI9Y), which focused primarily on current top 40, such as Taylor Swift, Bruno Mars, . Having founded the band, I also started working with computers and a Roland SPD-SX sampler/drum pad to run backing tracks and electronic sounds and beats, which helped take the band to the next level.

I offer passion and drive for playing music and performing, yielding more energy than most 20 year old's. I'm in great shape, don't drink or do drugs, completely reliable, have excellent/pro gear and looking for like-minded "kids" to put on a show and make some money.

ACCOMPLISHMENTS:
Recording Deal: Mad At Gravity (ARTISTdirect Records)
Recording Deal: Pressure 4-5 (Dreamworks Records)
