Hello I'm rehoming my 5mo old Shih-Tzu. He is peepee pad trained, loves to play with everyone he sees. Very friendly with kids and other animals. He's not a loud puppy at all. He loves to play fetch and go for walks, will sit on command. Rehoming fee does apply! He will be rehomed with all his toys, food dish and stand, leash and harness, puppy wipes, peepee pad holder, brush and travel carrier if needed (grooming supplies optional). ONLY serious inquiries if interested please call or text 732-91two -080two
