Location

**New Hampshire**<https://www.genclassifieds.com/x-572371-z>

I am a 32 year old male, looking for another person to rent an apartment. I have a dog that doesn't do well with other animals. However, he loves people, hes a small dog that loves love. I don't care about your gender, Identity, or sexual orientation, Just respect and trust.

Ideal situation would be

2 bedroom

Manchester, Derry, Nashua and in between

Total rent of \$1000 MAX (together) \$895 preferred

Utilities 200 MAX (together)

I dont need TV but would be nice

WIFI a must

Not a big drinker, do not do drugs or smoke butts (would prefer the same from you)

I enjoy talking about crazy things, and also quiet, but enjoy company as well. (But no parties)

I assume we will need to put security as well as first month So have your half as I will have.
