Hi, My name is Alice and i am a Male Singer age 24, looking to start a Rock N Roll/Metal band.

My influences is mostly 80's Metal like Motley Crue, Guns N Roses, Cinderella, LA GUNS etc. But i do love some alternative like Linin Park and Drowning Pool.

I need a guitarist, bass and a drummer. If you are interested in jamming together, and playing a few cover songs for gigs, i am perfectly fine with that. I am a very reliable and passionate singer, and also VERY fashionable. If you are interested, please contact me by replying to this ad.!
