My rescue yorkie and I live in the Columbus Circle/Central Park area and we board small and medium size dogs for the day or overnight. We offer a safe, friendly environment with plenty of toys and comfy beds. We'll make sure your pup is well fed, comfortable and exercised daily. I am home most of the day with your pup and he/she will have my pup as a friendly companion. I am also available to walk your small dog if you are in the Columbus Circle area.

Our rates are very reasonable and based on your pup's length of stay.

About me: I'm a professional woman that has made some career changes and I am now working from home. I have experienced the angst of finding a comfortable environment to leave my dogs in when I was traveling for work or working long days. I will be with your pups most of the day and you can be comfortable knowing he/she is in good hands. My pups and I look forward to hearing from you and invite you to meet us prior to making your boarding or day care decision.
