

Looking for Room or Roommate (Near NDSU)

Location **North Dakota**
<https://www.genclassifieds.com/x-572647-z>

I start school in the Fall, looking for room or roommate. I am 29 years old and prior military. Will be a civil engineer major so I'm not sure how time consuming that will be. I'll be working a bit too so that i can pay for rent and what not. Open to all suggestions, if you want to know anything else about me feel free to ask.

I'll respond to all when i have.
