We are a crowd funding management company.
We run your Kickstarter, Indiegogo, campaign, like you are running for office!!
Let us help you make your campaign successful!!!

If you are thinking about a crowdfunding campaign.. ask yourself these questions: Are your rewards of value?

Can you execute your project with the funding level you are seeking?

Is your written pitch persuasive?

Is your team knowledgeable and accomplished in their field?

"Crowdfunding Your Dream" works harder because we have a stake in our clients being successful.

Email us if you are
