Location **Pennsylvania**

Hello,

we have stores that are looking to be filled in
these locations :
Yardley
West Chester

Looking for EXPERIENCED people for night supermarket cleaning.

PLEASE NOTE: This is a NIGHT job, you can not do it at any other time of the day, it has to be done when the stores are closed.

Experience in operating a propane buffer and battery operated floor scrubbers is very important.

Your own form of transportation is needed, since you will have to bring the propane tank for the buffer with you when you leave the store, and public transportation does not allow you to carry such things on their vehicles .

Job is from 5-7 days a week, depending on the location.

Pay is around \$10-12 an hour. There is a flat rate per day per store and there is a minimum amount of hours to do nightly.
