I am thinking about driving my motorhome to Sturgis for the 75th and wondering if anyone else is interested in going and sharing the expenses. I have a friend that lives in Spearfish and I can park at his house, so the only real expense is fuel. I have a car trailer to haul the bikes. Again, I am just looking to see if anyone is interested in sharing expenses. Prefer non-smoker and social drinker at most. Older here, not into wild parties and want to respect my friends privacy, so will be pretty selective. If interested, drop me a note and we can.
