Clearing out the hardware cabinet. This hardware is all new (with the exception of the brass knobs).
 30 pair Salice 24" side mount glides (20 pair w/sockets) \$4/pr (Home Depot price \$7.98/pr)
 7 pair Salice 22" side mount glides w/sockets \$3.00/pr (HD price \$7.98/pr)
 (Home Depot charges \$1.48/pr for the sockets on top of glide cost)
 20 pair Salice 1/2" over lay hinges \$3/pr (HD price \$6.99/pr)
 15 ea 90mm (3 3/4") Satin Nickel Bar Pulls \$3/ea (HD price \$6.99/ea)
 4 Black Knobs \$1/ea (HD price \$2.98/ea)
 6 Black Handles \$1.50/ea (HD price \$3.98/ea)
 8 Satin Nickel "Spoon" handles \$1.00/ea (HD price \$2.48/ea)
 5 Curly Satin Nickel handles \$1/ea (HD price \$2.49/ea)
 19 Brass Knobs (used) \$.50/ea (HD price \$2.99/ea new)

Total for everything is \$281.50. Take it all for \$230. I will not sell the handles & knobs individually, if you want the black knobs, you buy all 4. I won't break up the 22" glides, buy all 7 pair. If you want 24" glides, I will sell them in groups of 5. I don't have time to sell 1 piece at a time.

I do not have screws for the hardware. The knobs and handles all use 8/32 machine screws that are available at Home Depot. Save some \$ and buy regular screws, don't pay extra for the ones marked "cabinet hardware screws". They are exactly the same.
