I'm having a going away party for a friend and I'm looking for one or two hot girls to bartend, pour beers, handout shots. We're a pretty cool crowd and it will not be all guys, some of us will bring our wives/gfs. We're all under 30. We'd like you to wear a hot outfit though, bra and booty shorts, something like that. Please email me with a photo and what you'd like to get paid for 5 hours of.
