My name is Stephanie, I'm 24 years old and I have an 8 year old cat named Pumpkin. She's up to date on her shots and is spayed.

I work for AutoZone part time, but get good hours considering. I'm looking to pay something in the 350-500 range for rent.

I'm really easy-going, friendly, but most of all respectful. I like to watch Netflix and play Minecraft in my spare time. I also like to build RC airplanes, but that's a hobby I cannot afford at the moment. Pumpkin likes to snuggle and hunt balls of yarn.

I have a boyfriend I would like to have over a few nights a week. Open to whatever policies you may have on that. He's supper friendly and respectful. We both work mornings, so if he spends the night, he will be gone in the morning.

I'm looking for something in SE, as this is where I work. I really don't care who I live with, so long as they're not on drugs. I'm 420 friendly, but not much of a smoker myself. I don't smoke cigarettes, but don't care if you do. I like to drink a beer when I come home from work, but I don't like to party. I don't mind sharing a bathroom, and have no problem sharing chores.

This about covers everything I can think of that you (the renter) may want to know on a quick glance. Please ask me anything I may have.
