Need a talented MUA with experience working with elderly skin, for a location portrait shoot September 5th, 2015. The Shoot will be taking place before the subject's 80th birthday party, and the pay is 50-75 dollars depending on experience level. My regular MUA quit on me, so this could turn into a regular gig if you do well. The whole shoot will take about an hour.

Please email me a link to your portfolio or examples of your work to be considered.
