We have a full breed blue nose pit bull that needs a new home. We recently moved and there are not pets aloud in our apartment complex. We rescued her when she was abandoned after having a litter about 2 years ago. We never really intended to keep her so we never kept up with any of her shots. Lety is a very loving dog that super friendly. She recently got her shots and the vet told us she is about 6 years old. She's not fixed and is fully potty trained.

Feel free to send me an e-mail if you have any questions. . . ONLY PEOPLE WHO ARE SERIOUSLY INTENDING TO MEET AND HOUSE LETY!!!!
