Doggy's Big Day is a loving and professional dog walking service in Salt Lake City. We are passionate dog lovers and understand how important exercise is for our furry friends.

With our dog walking service, you won't have to coming home from work and worry about getting your pup out on a walk; we will do that for you while you are away! We will pick your dog up during the day and drop him off when we are through. He will get at least a good hour or more of actually hiking/walking time.

If he is good off-leash, he can join us on one of our off-leash hikes in the nearby canyons. Dogs love the chance to run and play off-leash! Not only is it great exercise, but they also have the chance to socialize with other dogs. Dog hikes are the best!

1 hour dog walk or hike - \$25.00 (includes transportation within our service areas).

Service areas include Murray, Holladay, Midvale, Cottonwood Heights, Sugarhouse, Millcreek, and downtown Salt Lake City. Additional mileage charges may apply outside of service areas.

If you would like to talk to us more about our dog walking service, please contact Linda at Our initial in-home consultation is free!
