Location

**Vermont**
<https://www.genclassifieds.com/x-573051-z>

We are the local Burlington based band Hot Box Honey. We specialize in weddings, private parties, and music festivals. We have a huge repertoire of well-rehearsed music in multiple genres including jazz, funk, soul, R&B, and swing. The band is a five piece with a vocalist, however, many times we hire horn players as well for larger venues and events. Check out our band website and give us a listen! We'd love to spice up your next event!
