Meet Fancy!

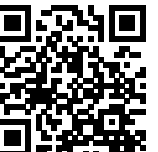

This stunning beauty is up for adoption and looking for her forever. Fancy is sure to bring you much happiness! There's absolutely nothing wrong with this elegant girl she looks like a postcard she is gorgeous! She exhibits the kind of affection you might associate with a dog who would be the first to find a happy home! Yet, she just hasn't been picked . Fancy is super loyal. She would be a wonderful companion to keep you company with any outdoor activities you may enjoy. She LOVES and NEEDS exercise keeping her unblemished figure at its best! Fancy is very strong and will need an experienced owner who understands this.

Fancy seems to favor males dogs most but they would need to be very submissive to her as she can be dog selective. A meet and greet will be necessary making sure there is a good fit. Fancy should be in a home with children over the age of 12 and up who are mindful and respectful of her. Fancy is not fond of cats and is not a good fit for smaller dogs . Fancy is spayed and current on all vetting. House and Crate trained and walks well and is obedient when on a leash., She dreams that there's a place for her. Would
