I am a nurturing and fun loving mother of three children. I opened a Registered Family Daycare program in my home in beautiful Charlotte, Vermont in September 2013. I have over 17 years of experience working with children in a variety of settings. I worked as the Head Director of the School's Out after school program in South Burlington for 8 years before deciding to stay home with my own children. I pride myself on providing an environment that is safe and inviting. I love creating activities for children in which they will learn, explore, create, be active, and find success! If you are looking for a childcare setting for your child that is safe yet fun, peaceful yet exciting, and structured yet freedom filled, I would love to hear from you. (802)324
