

House Cleaner NEEDED 18 (232 USD)

Location **Washington**
<https://www.genclassifieds.com/x-573102-z>

We are a woman owned well established company. If you have your own company but have holes in your schedule to be filled - we can do that. Or if you love to clean and have always wanted to do house cleaning - AND GET PAID - give us a call. We need individuals and teams of two who have worked together before.

We will schedule you work close to home so if you live on the Eastside you will work on the Eastside - and the same goes for the areas in Seattle. We don't like our cleaners having to take the 520 bridge.

Right now we need cleaners in Seattle and on the Eastside.

Must:

- Read and write English
- Have a car and car insurance
- Use your own cleaning equipment and supplies
- Work Independently
- Commit to working a minimum of one year
- Be organized and love to clean
- Must be legal to work in the US
