If you would like songs recorded, produced, mixed, and mastered, please contact me, Thunderman, at

. I have done audio engineering for 8 years and went to school for audio engineering at Ozark Technical Institute. You will need a place to record at if you would like to record. Rates for recording start at \$20 up front, then \$10 for every hour after two hours. Song production rates go for \$15 for each song, but I can we can talk about less for each song if there are 8 or more songs. I'm very easy to work with and I love music production with a passion. If you would like a sample of my previous work, you can listen at [Soundcloud.com/ThundermanDES](https://soundcloud.com/ThundermanDES). I look forward to hearing from you and good luck to everybody on their music
