Happy July!!

I am looking for a place I can call home at least for a little while I moved to Georgia a little while ago and still have not found a place my son and I can be in peace at. I am looking to see if I can. Find an apartment or studio or anything like that where it will be our own little space....I AM open to a room as well it's just that I have gotten to a point where I really just want to get home and be ALONE you know ?

I work with people all day so at night I just want to rest! My budget is up to 600 please let me know of anyone has anything available .

...I am hoping to find a place soon! I do have a stable Job and vehicle etc. My son is three and he is of course with me all the time we get home late eat dinner and knock out . Of course he is a kid and kids will be kids but he is not a loud crazy.
