 Saturday, August 8, 2015 - Check out: 10:00 am

Rental Rate: \$875/week

This one-bedroom Villa can accommodate up to 4 people. Please note that no more than 4 people (including babies) are allowed to stay in the one-bedroom villa. The reservation is for August 1-8, 2015

and cannot be changed. This is our personal timeshare that we are not using this year. The person on the left is the U.S. person who must be with you to the resort and must sign a timeshare agreement (or have the Email address for agreement) just as we are renting out the villa and are responsible for the villa during your stay. If you rent directly from the resort, you must be 21 and have a major credit card to check-in for security purposes. Rental Payment via Certified Check or PayPal. You can also check out the different travel sites and read the excellent reviews of the Holiday Inn South Beach Resort. Please disregard the negative reviews of the people that booked a timeshare presentation getaway and were annoyed that they didn't get to stay at the resort in the Summer and had to stay at a Holiday Inn hotel as they do not represent what a wonderful family-friendly, clean, beautiful and spacious Resort this is that is close to all that Myrtle Beach has to offer. No timeshare presentation is required - just enjoy your vacation. Please feel free to ask any questions. Thank!
