

Want to earn while learning real estate investing

Location **Georgia**

We are a group of real estate investors that wants to convert you from your JOB mentality into a business owner, passive income mentality.

Are you frustrated and fed up with your cubicle/office job?
 Are the sales commissions you're earning not creating your dreams?
 Tired of watching your company/boss make all the money while you give your "time for dollars"?

This is not a 9-5 job, but an opportunity to create six figure income and do it on YOUR terms not theirs.
 Earn commissions and do real estate deals with us instead.

Job duties include:
 Working from home and setting your own hours
 Setting simple appointments of interested candidates
 Becoming educated on real estate strategies
 Creating offers and contacting potential buyers and sellers
 Follow-up with clients via phone or email
 Attend real estate workshops and network events

****Commissions are direct deposited on Tues/Fri (8X month)****

Real estate, marketing, and sales experience a plus, but not required. Text your "GoGetter" to along with your name, REFERENCE ID, and email to contact you. If you don't like a business, you will exit.
