Children are like snowflakes, no two are alike. One child might be ready to walk at 10 months, and another at 15 months.

One child will be ready to leave diapers behind before the age of two, and another not until after they celebrate their third birthday.

Understanding these variances is just part of my job. Each child will let us know when they are ready for the big changes that are constantly occurring in their development.

Every child has their own internal clock, and if we know what signs to look for we can help them through them without too much trauma.

For those Moms and Dads out there who are baffled by the changes in their child's development, I can help.

I've been a licensed child care provider for more than 25 years.

I care for children in my home in a home environment, I'm affordable and reliable.

I am now enrolling children ages 18 months & up for full time care.

My hours are 7:00am.-5:30pm. (but I am flexible) Monday through Friday.

I'm located near Westwood, Fairway, Roeland Park, So. K.C. KS. and Co. Co. Plaza.

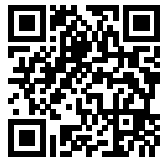

If you would like to contact me you may call me at or email me through this site.

I look forward to hearing from you. Jeanne Winkler*** Jeanne's Child Care est.***
