California Farm Barter Network (All of Calif)

A place for California homesteaders and farmers to network and post ads for barter of goods and services. Please do not post sale ads. ISO ads are acceptable. No flaming, harassing or being rude! Keep things friendly. Placing ads is FREE!

Whether you have an apartment container garden or a massive spread, as long as you are interested in bartering you are welcome here. Please be sure to include not only what you are offering, but what you might be interested in bartering for. This group is for posting classifieds
