We've been fostering Luna since we rescued her and her latest (and last, thankfully) litter off the streets a few months ago. She was exhausted, emaciated, and starved for affection. We would love to find her a nice stress-free home where she can continue to receive lots of love.

Luna has the sweetest temperament; very gentle, a little on the quiet side, and adorably playful. While shy around new faces, she's very affectionate and blossoms with the right amount of one-on-one attention - loves being petted, brushed, and will roll over to have her belly rubbed. She is very well-behaved and would do wonderfully as an only cat for an individual or couple looking for an easy-going, low-maintenance cat, but one with a fun, playful side that makes her seem like a kitten again.

We've taken really good care of Luna. She's been fed a combination of high-quality dry + canned food, and has received a lot of attention and love. We want her to find a home that will take care of her just as well. She is about 3, 3 1/2 years old and also likes being inside.

There is a small adoption fee to help cover some of the vet expenses. Luna has been spayed, de-wormed, and had rabies/distemper shots recently. We'll also provide you with food and her favorite toys.

Feel free to contact me if you'd be interested in meeting Luna or would like to learn more about.
