I'm a Freelance Graphic Designer based in Orange County, CA. I have over 12 years experience mainly working in the Automotive and Motorsports industry. I'm reasonably priced and willing to compromise

based on your situation. Attached are some recent samples of my work but I'm capable of sharing more upon request. I'm Photoshop Fluent as well as AI and Publisher. I can also provide printing and Die Cutting if needed. I have quick turn around times and am very flexible when it comes to edits and changes. I work for multiple companies and professionalism is objective 1. My services include:

Graphic Design:

Speculative / Concept Design

Photo Manipulation

Photo Editing and Retouching (Enhancing Photos)

Photo Montages (Not Only Automotive)

Business Cards

Flyers

Adverts

Posters

Brochures

Catalogs

Identity / Logo design

Corporate Identity / Logo Design
