

Portrait Photographer (Metro Detroit)

Location **Michigan**
<https://www.genclassifieds.com/x-583195-z>

The main purpose of my images is to transmit feelings and messages. To show the real side of people, places, and life, by capturing the exact moments and expressions that show all the emotion and essence. Whether it is a person, place, or feeling, I will always strive to truly represent and immortalize it.
