Awesome Leopard Gecko with Habitat (Salem)

Location **Massachusetts** https://www.genclassifieds.com/x-583272-z

Beautiful big boy leopard gecko for sale, a gorgeous normal morph, approx 88 grams and gaining weight. He is stunning, great eater, even eats his calcium powder alone lol. He comes with an awesome tank, its a 20 gallon reptile enclosure with sliding screen lid for easy access. Also includes his food and water dishes, moist hide, and a big cave as well. \$50 for him with his setup! We paid for than that just for him lol but we really need the space. Please write if.
