

## Space NEEDED (Negotiable)

Location **Washington**

I am the owner of multiple businesses and am in search of a space that will provide a room for an office as well as a space for holding workshops etc. I am looking for someone that is willing to work with us as an organization to help us to continue to help the community as opposed to charging us an arm and leg.

I know the the rewards will come! We are extremely limited now because we don't have our own space.

If you are serious and have space that you can assist us with PLEASE contact me!
