1955 Chevy 3100 2nd series

This is a nut and bolt restoration completed recently has 1650 miles on it. We also just done Hot Rod Power Tour in June. It is a show winning truck with trophies to prove it. Below is a list of new, replaced or added parts.

- All new chrome
- New rubber seals
- New ez wiring harness
- New dolphin gauges with gps speedometer
- Rebuilt 383 stroker with rebuild receipts. Has vortex heads.
- New high torque starter
- PTC 700 r4 transmission with converter lock up
- New driveshaft
- s-10 rear end with 3.23 gears
- Ladder bars with new QA1 coil overs.
- Front end is out of a 70's camaro with heidts control arms and hotchiks springs and power disk brakes
- New power brake booster
- New poly bushings
- New steering box
- Power steering box
- New alternator

- New aluminum radiator
- New aluminum gas tank and relocated to where the frame
- New 1965 air with 24" defrost
- New 1965 interior with 1965 guys seats
- New 1965 window
- New oak bed with stainless trim
- Truck has been tuned and name "c" matched
- The paint is one year old.
- New wheel and tires
