We are looking for our brother, everywhere and in every state. Born 10/8/1952 at Ancker Hospital in St Paul Minnesota. Birth parents are Frances May Facklam and William Walter Pesina Jr.

Birth mother lived at 623 E Maryland, St Paul, MN at the time of birth and birth father lived at Piedmont Apts, St Paul, MN at the time of birth.

Birth mother was born 5-1-1925 and was 27 or 28 at the time of birth. Birth father was born 6-6-1928 and was 24 or 25 at the time of birth. Birth mother had blondish, very light brown hair and haz eyes.

Birth father's hair was dark brown / black and he had brown eyes. My half brother's birthdate is: 10-8-1952.

His adoptive father was 27 years old at the time of adoption, he was Swedish and German. He was a member of a Lutheran Church. He was 5ft 7 in tall and had blue eyes and black hair. He was a high school graduate and following graduation entered the Armed Forces.

His adoptive mother was 24 years old at th time of adoption, she was Norwegian. She was a member of a Lutheran Church. She was 5ft 7 in tall and had blue-gray eyes, light brown hair and weighed 140 pounds. she was a high school graduate and had been employed as a telephone operator.

My half brother birth mother Frances May Facklam Carlson, was approx 5 ft 4 in tall 110 pounds, had light brown hair and blue eyes. Her date of birth was 5-1-1925, deceased on 12-17-2002. She too had been employed as a telephone operator around the time prior or after the birth. She had also been employed at Crane Co? She had her thyroid removed sometime in the 60's in California, possibly Castle Air Force Base. She also had glaucoma and Dementia.

The birth father was William Walter Pesina Jr. was 5 ft 6 in tall, 160 pounds, brown hair and brown eyes. His date of birth was 6-6-1928 and deceased on 6-21-2009. He was Bohemian with a touch of Pennsylvania dutch. He was a mail carrier, and in his later years had cornea transplant in appox 1970 at the University of MN. He also had lung problems. Walter and Frances had lived together at Piedmonts Apts in St Paul, MN, they split up and my mother moved home to her parents (Henry and Anna Facklam) at 623 East Maryland St Paul, MN. She was kept hidden from the public while she was pregnant as this was a big shame on the family. She gave birth at Ancker Hospital and the baby was turned over to Lutheran Services for adoption.

We found out he existed several years ago, as my father thought he was on his death bed and relayed the information to my sister, she thought he was dislusalional and left it at that. She then asked him again sometime later and he repeated the same information. She then told me in approx. 2008. My aunt then confirmed more of it. I

have been sad about every thing since that time and have found nothing. Really don't know where to go from here? I believe my mother posted information on every

possible place. My help was not so much, but I am in New York

his sister was in Strickland in New York Sch

Again thanks so.
