

## Snowflake Earrings (2.5 Drop)

Location **Idaho**

I have 2 different colors of these: gold toned & silver tone. These are full of crystals in the flower/snowflakes. These are beautiful, & sparkly (didn't show up so well in the pictures however) 2.5" drop earrings. New...I have never worn them. They are not extremely heavy, so won't pull too hard on your earlobes.

These would be a beautiful compliment to any party outfit.

Asking \$2 for each pair.....

(NOTE: the black enamel ones on the left in the picture have sold...I only have the silver tone & gold toned ones left)

Call Debbie at 939-2036...phone calls only. I am located off of Hwy 55, approx. 4 miles north of State.
