

DJ looking for gigs

Location **Maine**
<https://www.genclassifieds.com/x-584104-z>

I have a bunch of openings for the next weekends, folks! Mobile DJ service that provides everything. Lights, music, fog and fun. Weddings, birthday parties, you name it. Low rate of \$25/hour around the Midcoast region, slightly more for traveling (to pay for gas).

Sound interesting? Email me for more details (you can text/call, but my reception is iffy, so it's not always reliable)
