At Brookline Landscaping, the start of all our customer relationships is with a Complimentary Consultation where you meet with a landscape design representative. This is the first step in the process of renovating your outdoor environment. The design and planning process is one of the most important steps in developing your landscape.

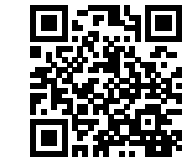

During this time we evaluate all the information obtained in the consultation and using your "wish list" and with our know-how we will propose a plan that fit's your style, budget and purpose. Than we'll take your existing landscape and transform it into the setting that you've been dreaming about!

We provide a huge range of services that will help you obtain the quality landscape you desire. Below is list of some of the services that we provide:

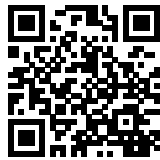

- Landscape Design
- Landscape Maintenance
- Lawn Care Services
- Tree Trimming & Pruning
- Garden Beds & Flower Planting
- Lawn and Yard Clean up
- Lawn Care Maintenance
- And much, much more. . . .
