I have left two large trash bags at the donation drop off box at Garfield schools parking lot. On Boise Ave off of Broadway. One contains women's boot cut jeans and cords. Size 2-6 excellent condition. One bag contains pots and pans, and a little bit of silverware. I noticed that there was an old end table sitting there.

Please don't make a mess of it, it will just make it hard for people to "pay it forward". If you do take it please let me know so I can take the post down. One of the reasons that I'm leaving it there is so that people who really need things shouldn't have to pay for them. When I first came to Boise, I had nothing, I had left an abusive relations ship. I grabbed my son, the dog and ferret and came here. I got a job, but I needed an ironing board so that I could work in a business office. I went to Idaho youth ranch and had to pay \$15.00. My son and I were sleeping on the floor. But I needed to work to make money so we could get beds. Doing this for someone who truly needs help, means a lot to me.

Thanks for helping make this happen.
